

Dongguan Fuyue Electronics Co., Ltd

Model	51.2V 280Ah	51.2V 300Ah
Energy(Wh)	14336	15360
BMS Max Continuous Discharge Current(A)	150	150
Gross Weight With Wooden Case(KG)	130	135
Battery Size(mm)	850*440*270	
Case Material	High Quality Thicken Galvanized Steel Sheet	
With LCD screen	Yes	
Support Communication	RS485, RS232, CAN	
Working Environment	- 10~60C(14°F to 140°F) @60±25% Relative Humidity	
Charging Rate	Recommend charge rate: 0.2~0.3C	
Charging Mode/Voltage	CC/CV, 58.4V	
Cell Quality	Brand New Grade A Lifepo4 cells	
Cycle Life	Over 6000 times	
Warranty	10 Years	

Feature:

- 1) Direct factory supply, no middlemen, with price advantage
- 2) ODM/OEM service with our own R&D support
- 3) Built-in BMS: Protects against overcharge, over-discharge, and short circuit
- 4) 100% inspection before shipment to ensure stable quality
