

Battery Pack

Dongguan Fuyue Electronics Co., Ltd

Battery Capacity(Ah)	400	460	600
Power(Wh)	20480	23552	30720
BMS Max Continuous Discharge Current(A)	150	150	200
Gross Weight With Wooden Case(KG)	180	185	265
Case Material	High Quality Thicken Galvanized Steel Sheet		
With LCD screen	YES		
Support Communication	RS485, RS232, CAN		
Working Environment	- 10~60C(14°F to 140°F) @60±25% Relative Humidity		
Charging Rate	Recommend charge rate: 0.2~0.3C		
Charging Mode/Voltage	CC/CV, 58.4V		
Cell Quality	Brand New Grade A Lifepo4 cells		
Cycle Life	Over 6000 times		
Warranty	10 Years		

Feature:

- 1) Direct factory supply, no middlemen, with price advantage
- 2) ODM/OEM service with our own R&D support
- 3) Built-in BMS: Protects against overcharge, over-discharge, and short circuit
- 4) 100% inspection before shipment to ensure stable quality
